

# RESEARCH ASSISTANT

Georgia Center for Opportunity (GCO) is an independent, non-partisan policy research organization that develops solutions leading to social and economic opportunity in the state of Georgia. Our vision is to make vibrant communities where everyone can achieve their potential.

Our mission is to ensure that every person – no matter their race, past mistakes, or the circumstances of their birth – has access to a quality education, fulfilling work, and a healthy family life. To achieve our mission, we research ways to help remove barriers to opportunity in each of these pathways, promote our solutions to policymakers and the public, and help effective and innovative social enterprises deliver results in their communities. Our ultimate goal is to see every Georgian who is willing to seize the opportunities presented to them living a life that can be characterized as truly flourishing.

GCO is poised for growth. With offices in Peachtree Corners of metro Atlanta and Columbus, GA. GCO is a fast-paced, entrepreneurial, and highly collaborative environment. We have an opening for a Research Assistant who is a self-starter, an independent worker, and a team player in a fast-growing organization.

The Research Assistant is responsible for data collection and analysis. This position is part of GCO's Policy and Research team and will report directly to the Director of Research. The Research Assistant will maintain a comprehensive knowledge of the work the organization performs and will be able to communicate that work in a compelling fashion.
